

Dear BACC Community Members,

The health and safety of those we serve has always been our top priority at BACC. As the ongoing coronavirus (COVID-19) outbreak unfolds, our goal remains to provide the most meaningful level of support in the safest manner possible. To that end, and mindful that a significant number of us have compromised immune systems, we have decided to temporarily adapt our programming to comply with CDC and Santa Clara County recommendations regarding in-person gatherings and risk of infection.
